### **Minutes of Committee Meeting**

Tuesday 7<sup>th</sup> July 2015

Apologies

Martin Walker and Penny Spooner

#### **Chairman**

Thanks going out to all helpers on and off the water for making the open day a great success. No incidents reported on the water although our first aid was required for a child that fell from a picnic bench and broke her nose. The Ergo machine was again a great success. Mick and Helen pleased with how the day went. We will plan date for next year before Christmas. Thanks to those that worked so hard on the Working party, a great job done. Thanks also to the 4 people that attended the Event Safety course on behalf of the club.

#### **Treasurer**

As of 24th June 2015 we have a bank balance of £4,722.74 which does not include 3wks takings which should bring it up to approx £5,000

#### **Vice Chairman**

Working party was again a great day of hard work done. We will need to go through all kit to replace missing drain plugs etc and to 'thin out' some of the older boats with a view to selling them on e-bay and using money towards a couple of newer boats, a SUP and also a set of canoe poles.
