Chairman

It has been a brilliant turn out at the lake this season with families play boaters, social paddlers and people on courses. A big well done to all the new 1*, 2* and 3* paddlers and not forgetting the 4* trainees that commence their training in the next couple of weeks – 14 club members and 4 non-club members. We have also had an increase in the number of people interested in sea-kayaking. All in all another great season.

Spoken to Mick and he and Helen are happy with how things are going at the lake and more than happy to have us there again next year and they are also very keen for us to have another open-day. They are also considering the possibility of us having another container on site. We are looking to have the Canoes and SUP stored away for the winter. One container has a leaking roof which will also be sorted before winter sets in.
