The club has now purchased 2 x New Stand up paddle boards Phil to look into Insurance. A date is set for a working party at the lake to build a fence near decking and to rack out new container and between two of the containers as well as some painting that needs doing.

All personal kit is to be removed from the containers and we are looking to sell on some old kit.

Polo paddles also need to be ordered.

Programme

Intro to sea kayaking and Intro to white water trips have been posted as well as Family paddle on 22nd August.

The first paddle and pint trip was also a great success.

Trip reports need a little more encouragement.

Unfortunately the BBQ that Liz Owen had kindly arranged has had to be cancelled due to lack of coaches available to be on the water.

The Lake is booked for FSRT on Sept 10th when a taster session for Polo will also be run.
